Jeevintha

Frontend Developer

+91 9677605417 | linkedin | Portfolio | Github | jeevithajeevi6234@gmail.com

Technical Skills

- ❖ **Frontend Development:** React.js, JavaScript, HTML, CSS
- ❖ **Frameworks :**Tailwind, Bootstrap and Python
- ❖ **Tools:** Version Control, MS Office, VS Code, Github
- ❖ **Other:** Typewriting (Distinction in English - Higher Level, Govt. Certified)

Experience

Oasis Infobyte Intern :

Gaining hands-on **experience** in web development by working on **real-world projects**. Developed web-based systems, enhancing problem-solving and technical skills. Working with HTML, CSS, JavaScript, React.js, and API integration to build **responsive** web applications.

Super Fit :

Built a comprehensive fitness tracking application using **React.js,** leveraging **React Hooks** for efficient state management. Implemented a **responsive UI** with **Tailwind CSS** using **flex** layouts and custom animations.
- Dynamic workout volume calculation and progress tracking
- **Local storage** integration for persistent user data

Gemini AI Clone

Developed a cutting-edge **AI chatbot** replicating Google's Gemini using **React.js**, employing **React Hooks** and **Context API** for efficient state management.

- Real-time AI interactions with **API-driven** architecture.
- **Optimized state management** using Context API and debounced API calls.

Weather App :

Built a dynamic weather application using React.js and the **OpenWeather API**, leveraging React **Hooks** for state management and asynchronous data fetching.

- Global city search functionality with **asynchronous** geolocation **data** retrieval.
- **Real-time UI** updates triggered by **weather conditions** through conditional rendering.

Certifications

- ❖ **Responsive Web Design** - Mastered the principles of creating responsive and accessible web interfaces using HTML, CSS, and modern design frameworks. - FreeCodeCamp
- ❖ **JavaScript Algorithms and Data Structures** - Acquired skills in solving algorithmic challenges, OOPS, Functional Programming, Asynchronous Javascript. - FreeCodeCamp

Education

B.Com - RV Government Arts College, Chengalpattu (2021-2024).
HSE, SSLC - St. Mary's Hr. Sec. School, Chengalpattu
